## Upcoming Events

### SAVE THE DATE: November 16, 2017 FEA Scholar Gala

The Fund for Education Abroad's Annual Gala brings you (our amazing alumni) together with the donors and communities who support your dreams of studying abroad.

Each year, the Fund for Education Abroad (FEA) invites our scholars from across the country to come to Washington, DC for the FEA Scholar Gala. There, scholars connect with our community of donors, thought leaders and partners, and share their life-changing study abroad experiences. The Gala aims to highlight the importance of diversity and access to international education, and each year funds raised go towards expanding access to study abroad - last year, FEA raised over \$80,000 towards scholarships for underrepresented students.
