

Fund for Education Abroad

We invite you to sponsor the 2018 FEA Scholar Gala and Conference and lend your support to help increase access to life-changing study abroad experiences so that the next generation of Americans are globally-minded and globally-competitive.

At the **Gala**, join over 300 leaders in business, international education, government, and a cohort of FEA Scholars in the nation's capital at one of the most important events of International Education Week (IEW).

Support for the FEA Alumni **Conference** earlier in the day will bring leadership and career development trainings to 20 FEA Scholars from across the US, helping to continue FEA's investment in the promise of these diverse and deserving Americans.

The Fund for Education Abroad (FEA) is the only independent, fully philanthropic provider of scholarships for American students to study abroad. FEA makes life-changing, international experiences accessible to all by supporting minority, community college, and first-generation college students before, during, and after they participate in education abroad programs. FEA's generous scholarships of up to \$10,000 for an academic year abroad are "game-changing" for recipients, empowering them to take the leap and earn college credit abroad.

Sponsorship of the 2018 Scholar Gala will increase the number of "game-changing" scholarships FEA awards from 100 in 2018 to 150 or more in the coming application cycle.
