

FEA'S ATHLETE ABROAD SCHOLARSHIP

The Fund for Education Abroad (FEA) increases opportunities for dedicated American undergraduates to study abroad by reducing financial restrictions through the provision of scholarships. As part of FEA's initiative to increase and diversify the population of Americans studying abroad, we have created the Athlete Abroad Scholarship.

FEA's Athlete Abroad Scholarship is available to applicants who are varsity student-athletes participating in any program or subject that confers credits toward degree completion and meets all other FEA requirements.
